அமைச்சரவை பற்றிய பத்திரிகை செய்திகள் குறித்து

* THIRU K. VINAYAKAM : I rise on a point of information which is of paramount importance to our State. You please listen to me, it affects the very future of our State. The very future of our State is at stake and it affects the Government and the party that is in power now. I understand from newspapers that the Working Committee of the D.M.K. met on Saturday and Sunday and discussed many matters and some Members expressed want of confidence or levelled charges against some Ministers, that the Chief Minister also reciprocated the same idea and had taken resignations of some of the Ministers and also issued a statement that he was going to reconstitute the entire Ministry. May I know whether it is a fact, because the entire State is expecting some statement from the Chief Minister. But he does not say anything in the House nor do we get anything from anyone in their party. They are so tight-lipped. They do not talk to us even. The State is expecting and Tamilians are expecting eagerly to see what is going to happen to this Ministry as to who are going out and who are going to come in. My wording is perfectly in order and I have never said anything out of the way. Let me know whether our Hon. Chief Minister is going to introduce another 'K. Plan, Karunanidhi Plan'. The previous one was 'Kamaraj Plan' of the Congress. Is the Chief Minister going to introduce another 'K. Plan'. How many of our unfortunate Ministers are going out and how many lucky ones are going to come in, Sir? How many lucky persons are coming in?

மாண்புமிகு திரு. மு. கருணாநிதி: அப்படி வருபவர்களில் ஒருவராக திரு. விநாயகம் இருக்க முடியாது.

THIRU K. VINAYAKAM : Sir, he has not answered my point I wanted some information. Does he want the country to be in darkness and let him at least tell that? So far as this matter is concerned, your papers are referring to it and our papers also are referring to it. Everbody is talking about it. With regard to the jocular remark of the Hon. Chief Minister, does he mean to say that I will join his party? How on earth can I join his party?
